#### Programme

6.50 a.m. - Meeting point at the valley station of Col Rodella cable car, in Campitello. Set your alarm and be there on time, the cable car is making a special ride, just for us!

7.00 a.m. - All on board, let's go! Going up, we can admire the valley, with its illuminated villages, and we'll start to catch sight of the outlines of the peaks surrounding Campitello. The more you ascend, the more fascinating it gets, because we're about to reach an extraordinary panoramic balcony!

7.10 a.m. - Here we are! Col Rodella always gives great emotions, whether it's winter or summer... Let's breathe in the fresh morning air and take some time to look around: Sassolungo, Sella and Marmolada, all the Dolomites come alive with the first rays of sunlight. The ski instructors of Campitello ski school will show us the summits, explaining their peculiarities and some fun facts.

7.30 a.m. - It's time to put on your skis! Let's hook up the boots and off we go: the 3-Tre is all for us! The ski instructors will accompany us and give us valuable advice. Skiers will slalom on the velvet slope, leaving their waggle signature. A unique experience!

7.45 a.m. - It's time to have breakfast! Together with the owners of Baita Rodella Hut, we'll discover the natural products of Val di Fassa and Trentino. A nice breakfast will make us taste local cheeses and cold cuts, as well as honey and jams, yoghurt and homemade cakes, fresh milk, eggs, and apples.
