High-Altitude Flavours

Maria Hut – Sass Pordoi, Canazei
Tuesday, 2nd of January 2024 - 3.15 p.m.

Climb to the roof of the Dolomites, to the 2950 m altitude of Sass Pordoi, to enjoy not only a panorama that will leave you breathless, but also a tasty farm-to-table aperitif, from the producer to the table. Everything will be combined by Maria Hut with an author's proposal 100% *made in Val di Fassa*, also available in the *for kids* version, ready to satiate you and satisfy your palates, but also to leave you a nice homemade souvenir by Utòl to take home.

For inveterate cheese lovers, or for those who want to learn more about the excellence of local cheeses, a fun Cheese Quiz at the table with a prize.

The location? Definitely one of the TOP10 in the Dolomites, an exclusive place where, if you are lucky, you can admire a 360° sunset over the most famous UNESCO peaks: from the Sella to the Marmolada. In short, an opportunity to be grabbed at once...or rather, by cable car!

From 4.15 p.m. to 5.30 p.m.

Maurizio and the staff of the Maria Hut await you for a rich, narrated *apericena*, made in Val di Fassa, in the company of the producers: from the cheeses of Mèlga de Fascia accompanied by the traditional products of N'Outa and the cured meats of Felicetti Speck, reworked into tasty proposals by the imagination of Chef Giovanni, to finish with a taste of local desserts. Protagonists, in addition to the food at km0, will be the Trentino wines of Mezzacorona and the Trentodoc Rotari mountain bubbles, while the little ones will be able to appreciate the tasty La Trentina apple juice. These will be the ingredients of a rich proposal, with some hot and tasty dishes, to be enjoyed comfortably seated and served at the table in a convivial manner, discovering the quality and curiosities of the raw materials that compose it also through a fun and tasty Cheese Quiz with a prize. Between one tasting and the next, be sure to look outside: if you are lucky, as you often are, you will be able to enjoy the magic of the sunset, the famous *Enrosadira*, with a view from one of the most beautiful terraces in the Alps that sweeps 360° over the most famous peaks of the Dolomites.
