

SNOWSHOEING IN PARADISE

San Pellegrino Pass | Moena Ski school & Baita Paradiso
Thursday, 7th of March 2024 – 3 p.m.

In one of the most spectacular places in the Dolomites, this guided snowshoe hike takes place to enjoy the panorama of the peaks illuminated by the last rays of the sun.

You will ascend with the Costabella chairlift, then put on your snowshoes, and leave the giant footprints on the mantle of snow of the San Pellegrino Pass, admiring the landscape that opens up in front of you. The guides will take you on this wonderful exploration, where you will have the chance to immerse yourself for a few hours in the immaculate silence of the surrounding nature, broken only by a tasty snack at Baita Paradiso.

Here Gino awaits you with a recharge of mouth-watering artisanal flavours: freshly baked cakes, cheeses, and cold cuts from the Fassa Valley are never lacking.

The spectacle of nature begins shortly, just enough time to put on your snowshoes and raise your eyes to the peaks: the Enrosadira goes on stage directly from the "Paradiso". A crescendo of emotions, an explosion of colours from yellow to pink, which will make you feel at one with the wonder that surrounds you.
